Thank you for all the cards, flowers, phone calls and most of all prayers. I appreciate it very much. - Lowell Becker

I would like to thank the church for supporting me in my education. The church has helped me since I came to America and started junior high school at Bethany Christian School. The church continued to support me during my college career through student scholarships. It has been a special blessing for me. Now I am excited to announce that I have graduated with a Bachelor of Science in Electrical Engineering. Again, thank you Pleasant View for all your support. - Derick Masatu
