Church family: You know how to serve and love well. I have been blown away by all of your selfless acts; especially since our life at PV recently began. Your coming to pray at our house for our family while Jon was in Indianapolis was immeasurable. Thank you for hosting Jon's visitation and serving our family and friends a meal. Thank you for helping us celebrate Jon's life. Thank you for all of your support while Jon was in the hospital for the last two months. I'm going to need your support now more than ever as I walk a new path back into being single. Thank you for loving me, my boys, and our daughter-in-law. Love, Sherrie Byler
