Thank you for the school kits you contributed for children around the world. We gave 153 completed kits to MCC.

My thank you seems so small compared to what all you've done over the years to help make the decorated cookie project a success. A special thanks to Mariann Zmudzinski and Betty Weldy for walking through it with me this year. This is my last year. I'm retiring for good! If you or someone you know would be interested in helping to oversee this project, or parts of it, please let me know. Your former cookie lady, Ruthie Yoder
