

If you are visiting with us today, welcome! Please consider filling out a Connection Card located on the back of the pews in the sanctuary. You can bring the completed card to an usher or greeter for a gift after the worship service.

Everyone is invited to the baptisms today at 12:45 pm at the Essenhaus pool. Please enter through the main covered entrance at the Essenhaus Inn.

There will be a special time of prayer for Sophia Grace today at 4:00 pm. Plan to meet outside Tim & Laura Nice's home (2121 Weaver Ln, Goshen). Her heart surgery is scheduled for January 5. Contact Mim Mast with questions.

All young adults are invited to a Bible Study Thursday, January 5 at 6:30 pm. The location is yet to be determined. Contact Russ Klassen with questions.

MCC Meat Canning at the Depot in Goshen will be Friday, January 6 beginning at 6:45 am for PV attenders. Questions? Contact LeRoy Nice.

Women's Sewing is planned for Thursday, January 12, from 9:00 am-2:00 pm in the youth room. Please bring a dish to share for lunch.

Save the Date! A Winter Bash for adults is being planned for Saturday, February 25. For those needing childcare for the event, the youth group is planning a babysitting fundraiser. More details coming in January.

If you would like a year-end giving statement for 2022 please contact the church office. Statements are available for those who have written checks, used the provided envelopes or given electronically.

The Business meeting minutes from December 7 are available by the mailboxes. There are also copies of the proposed 2023 budget.

**Life Line Screening will offer health screenings at Pleasant View Church Monday, January 16, 2023.**

A package of four screenings to identify risk for stroke, heart disease and other chronic conditions will be offered:

**Carotid Artery Screening (Plaque)** - An ultrasound is performed to screen the carotid arteries (a pair of blood vessels in the neck that deliver blood to your brain) for buildup of fatty plaque. This buildup, called atherosclerosis, is one of the leading causes of stroke.

**Peripheral Arterial Disease Screening** - An Ankle-Brachial Index (ABI) test is performed using blood pressure cuffs on the arms and legs. It is important to screen for PAD because it increases the risk of coronary artery disease, heart attack, or stroke.

**Abdominal Aortic Aneurysm (AAA)** - An ultrasound is performed to screen the abdominal aorta for the presence of an enlargement or aneurysm. AAA can lead to a ruptured aortic artery, which is a serious medical emergency.

**Atrial Fibrillation** - A 6-lead electrocardiogram (EKG) is performed by placing sensors on the arms and legs to screen for Atrial Fibrillation. AFib can lead to blood clots, stroke, and heart failure, and other heart-related complications.

These 4 screenings take 60-90 minutes to complete. Register by calling 1.888.653.6441 or online at <https://lsa.social/HC>

# Welcome to Pleasant View Church

January 1, 2023
