

If you are visiting with us today, welcome! Please consider filling out a Connection Card located on the back of the pews in the sanctuary. You can bring the completed card to an usher or greeter for a gift after the worship service.

Women's Sewing is planned for Thursday, January 12, from 9:00 am-2:00 pm in the youth room. Please bring a dish to share for lunch.

A Red Cross Blood Drive will be held January 18 from 1:00-6:00 pm. Please sign up by the audio booth to volunteer at the registration table and/or provide cookies.

Contact Weldon Glenn if you wish to schedule a time to donate blood.

Our Grief Support Group will meet Thursday, January 19 in the library at 9:00 am. Feel free to join us.

All young adults are invited to a game night on Thursday, January 19 at 6:30 pm at Russ Klassen's house. Bring your favorite game and a snack to share.

SHINE (grades 3-5) will meet for games and a scavenger hunt January 21 at 9:00 am in the west wing. Bring a friend! Questions? Contact Joel or Karyssa Miller.

Save the Date! A Winter Bash for adults is being planned for Saturday, February 25.

For those needing childcare for the event, the youth group is planning a babysitting fundraiser. More details coming in January.

If you would like a year-end giving statement for 2022 please contact the church office. Statements are available for those who have written checks, used the provided envelopes or given electronically.

The Business meeting minutes from December 7 are available by the mailboxes. There are also copies of the proposed 2023 budget.

**Life Line Screening will offer health screenings at Pleasant View Church Monday, January 16, 2023.**

A package of four screenings to identify risk for stroke, heart disease and other chronic conditions will be offered:

**Carotid Artery Screening (Plaque)** - An ultrasound is performed to screen the carotid arteries (a pair of blood vessels in the neck that deliver blood to your brain) for buildup of fatty plaque. This buildup, called atherosclerosis, is one of the leading causes of stroke.

**Peripheral Arterial Disease Screening** - An Ankle-Brachial Index (ABI) test is performed using blood pressure cuffs on the arms and legs. It is important to screen for PAD because it increases the risk of coronary artery disease, heart attack, or stroke.

**Abdominal Aortic Aneurysm (AAA)** - An ultrasound is performed to screen the abdominal aorta for the presence of an enlargement or aneurysm. AAA can lead to a ruptured aortic artery, which is a serious medical emergency.

**Atrial Fibrillation** - A 6-lead electrocardiogram (EKG) is performed by placing sensors on the arms and legs to screen for Atrial Fibrillation. AFib can lead to blood clots, stroke, and heart failure, and other heart-related complications.

These 4 screenings take 60-90 minutes to complete. Register by calling 1.888.653.6441 or online at <https://llsa.social/HC>
